PROFESSIONAL SUMMARY

- MSc Accounting, Finance and Management candidate at the University of Bristol, with nine ACCA exams passed. Combines IPO audit experience with UK SEIS tax research through a client consulting project. Seeking a graduate tax role with structured training to build a strong foundation in tax compliance and develop towards more complex advisory work.

INDUSTRY EXPERIENCE

Think Big Student Assistant (Part-Time) **Mar.2026-May.2026**
University of Bristol Think Big Scholarship Team. Bristol

- Independently screened scholarship applications against agreed assessment criteria and maintained close communication with academic assessors to resolve review issues and support consistent, fair decisions.
- Completed assessor training and proposed process and administrative improvements that strengthened implementation of the assessment standards and team coordination; received formal recognition from the Think Big programme.

Student Consultant (Part-Time) **Feb.2026-Mar.2026**
University of Bristol Business School Mcro Internship

- Led a six-member team in developing a £150,000 SEIS fundraising strategy for an early-stage PropTech company, managing client communication, project coordination and delivery over three weeks.
- Analysed UK Seed Enterprise Investment Scheme requirements, including company and investor eligibility, investment limits, income tax relief and capital gains tax relief, and converted the findings into investor-screening criteria.
- Evaluated more than 15 prospective investors and platforms by SEIS eligibility, sector fit, investment stage and typical ticket size; delivered a financing roadmap rated “Excellent” by the client.

"New Youth" Operations Management Trainee(Full-Time) **April.2024-August.2024**
Shanghai Baozun E-commerce Co., Ltd.(NASDAQ: BZUN, listed company)

- Planned campaign schedules, selected products and configured campaign landing and collection pages in line with brand marketing calendars and merchandising plans.
- Worked with design and technology teams to test and optimise store pages and promotional modules through merchant platforms, resolving merchandising display issues and aligning execution with brand requirements.
- Maintained desktop, mobile and product detail pages, membership pages and product categories; completed 150+ page updates and 372+ module updates to support on-time campaign launches.

Audit Intern(Full-Time) **Jan.2022-Mar.2022**
RSM China (Rongcheng Certified Public Accountants)

- Supported three IPO audit engagements in Nanjing, Suzhou and Guizhou, performing inventory counts, sample vouching and transaction testing, and using Excel functions including VLOOKUP to reconcile data.
- Prepared, issued and tracked bank and related-party confirmations, independently completing confirmations with six banks for the Suzhou engagement; joined on-site visits with securities and legal advisers and organised interview records and supporting documents.

EXTRACURRICULAR ACTIVITIES

12/2025 - 05/2026 **Production Lead, University of Bristol Team(UK)**

- Led production planning across multiple simulation rounds, balancing capacity, raw-material availability, product priorities, demand and cost while coordinating cash-flow decisions with the finance function;
- Improved production and inventory efficiency, helping the team place first in its group and become the first University of Bristol postgraduate team to reach the global final; featured by university media;

09/2019-08/2023 **Member of the Debate Team at Nanjing Audit University(China)**

- Represented the team in multiple competitions, both internal and external,achieving the championship in school competitions;
- Demonstrated clear and targeted communication during debates,skilled in researching and reviewing extensive materials and writing arguments;
- Reached the global top eight in the 2021 “Huaxia Cup” International Chinese Debate Championship；
